

Adopt an Artist

By adopting an artist, you can directly impact the lives of the Growth Thru Art Artists. As the donor, you determine the level of involvement with your sponsored artist, under the guidance of the Growth Thru Art Staff. You may visit your artist, serve as a volunteer in the program, assist with events in the Growth Thru Art program, or simply be a silent benefactor.

The following are some of the examples of support through the Adopt an Artist program:

\$2,500

- Recognition as "Platinum Level" sponsor
- Business recognition at all Growth Thru Art events
- Have opportunity to display artwork at your business place.
- Be a sole sponsor for one individual artist.
- You will receive recognition as a "Platinum" sponsor at all Growth Thru Art events.

\$1,250

- Recognition as "Gold Level" sponsor
- Have opportunity to display artwork at your business place
- Share sponsorship with one other business or person
- You will receive recognition as a "Gold" sponsor at all Growth Thru Art events.

\$675

- Recognition as a "Silver Level" sponsor
- Have opportunity to display artwork at your business place
- Share sponsorship with three other persons or businesses

We rely on your generosity to support the continued operation of the Growth Thru Art program. Your commitment will not only provide immediate relief to the operation of the program, it may develop into a gratifying relationship for you. It will allow you to give back to your community and establish a personal connection with the artist.

We hope you will support the Adopt an Artist program.
